Suggestions:

Purchase a Full Set for each teacher using Global Lab. If a teacher has several sections, purchase Consumable Supply Sets for the additional sections and we will waive the Class Network Membership fees for those classes (valid only with purchase of Full Set).

Participants from '97-'98: Network privileges expire each year, so you must purchase a Class Network Membership for each class registered for '98-'99. You can also purchase a Consumable Supply Set for each class.
